We do not have responsibility with missing file of this book.

Anissa is traumatized by the most brutal conflict of the 21st Century: the Syrian Civil War. In 2012, Islamists in Homs terrorize a Syrian-Christian community and destroy everything that a young woman holds dear. Narrowly escaping death, Anissa restarts her devastated life as a college student in NY. She is bewildered and lost -- a virgin in every sense.

But despite her inexperience with men and life in the United States, Anissa is quickly drawn to two powerful individuals: Michael Kassab, the Syrian-American leader working to found the first Mideast Christian state, and Julien Morales, her Columbia University professor who runs a \$20 billion hedge fund.

Complicating matters, Michael is still attached to his ex-girlfriend and Julien is the most sought after bachelor in Manhattan (and has hidden demons even his therapist can't extract). Anissa's heart and her communal ties pull her in different directions, as she seeks hope and renewal in a dark world.
