Competitive Advantage Achievement through Innovation and Knowledge UrbancovĀ; Hana Abstract In todayâ€™s highly competitive environment the goal of each organisation is to defeat competition.

Them and Us--Using Trust as a Competitive Advantage This article diagnoses one of the most vexing and expensive problems facing high performance teams: how a team composed of passionate contributors can end up mired in "them and us" team dynamics which, if untended, drain performance, profitability, trust and motivation from the team. Four Strategies for Creating and Sustaining Value in Dairy The competitive environment, too, is fragmented. There are few global entities, and they tend to be strongest in their home markets. Other market participants include regional companies (frequently cooperatives), cheese makers, large consumer product companies, innovators and niche entities, and health care companies (typically purveyors of infant formula and nutritional supplements).
